Butz Enterprises, Inc. Recognized on Top 400 Contractors List

Lehigh Valley, PA, July 28, 2011 **Butz Enterprises Inc., consisting of** Alvin H. Butz, Inc., Alexander Building Construction Co. and Shoemaker Construction Co., is once again among the Top 400 Contractors in the U.S. positioned at number 369, as ranked and published by Engineering News-Record magazine (ENR). ENR is a construction industry trade magazine published by McGraw-Hill Inc. of New York. The Top 400 list includes construction management and general contracting firms.

Butz Enterprises, Inc. is a privately held corporation owned by the Butz family. Alvin H. Butz, Inc., Shoemaker Construction Co. and Alexander Building Construction Co. are wholly-owned subsidiaries of Butz Enterprises, Inc. Through those three operating entities, Butz Enterprises, Inc. offers construction management services to most of Pennsylvania, New Jersey, Maryland and Delaware.

The Top 400 Contractors list is ranked by construction revenue in 2010. “Despite a very difficult few years with the economic downturn, our firm completed some significant projects throughout the northeast because of our strong relationships with clients and our reputation for delivering projects on time and within budget,” says Greg Butz, President and CEO of Butz Enterprises.

In 2010, Butz Enterprises completed the Lehigh University S.T.E.P.S. building, a 135,000 square foot, new multi-disciplinary science and technology center. The Mount Nittany Medical Center – East Wing Expansion and Muhlenberg College Seegers Union renovation and addition were also completed in 2010. Both projects recently received Project of the Year awards from the Construction Management Association of America (CMAA) Mid-Atlantic Chapter.

Butz Enterprises is currently managing construction projects totaling more than \$482 million. Current projects for Alvin H. Butz, Inc. include Sands Casino Resort Bethlehem Retail Fit-out, an \$80 million lab project for Geisinger Health Systems, a series of projects for LSI Corporation, the DeSales University Gambet Center for Business and Health Care Education, multiple renovation projects at Lehigh University, and the addition and renovations at the Allentown Art Museum.

Shoemaker Construction Co. is currently managing multiple projects for the Philadelphia Housing Authority, and is completing a renovation project at the historic Wilmington Station - Amtrak in Delaware. Shoemaker is also doing construction for LEAP Academy Charter School in Camden, N. J., and Mastery Charter Schools in Philadelphia.

Alexander Building Construction Co. is managing multiple construction projects including Hershey Medical Center's new support services building, the Emergency Department expansion at Gettysburg Hospital in the Harrisburg area, and expansion of the Emergency Department and Cancer Treatment Center at Mount Nittany Medical Center in State College, PA. They are also managing projects for the State College Area School District and Penn State University including at Beaver Stadium.
